

Velkommen i 1. klasse

Sådan gør man

Fortæl klassen at I sammen skal på en hemmelig mission, hvor I, gennem forskellige missioner, skal blive eksperter i 1. klasse. Til hver mission skal man til slut sætte et mærkat på sin agentmappe/farve mærkatet på mappen.

Start med at gøre missionsmapperne klar til eleverne. De kan skrive navn udenpå. Imens kan de farvelægge forsiden 'Velkommen i 1. klasse'.

Mission: Farvelægge (Øv jer i at farvelægge så pænt som muligt og tal fælles om hvordan man passer på farveblyanter og husker at lægge dem på plads)

Mission: Klippe (Klip langs de stiplede linier)

Mission: Klippe og lime - Skoletaske med hanke, læringsmål og min familie (Skoletasken klippes ud, hanke klippes ud og limes på tasken, Læringsmål skrives evt i fællesskab (kan limes på lommen uden på tasken), tegn din familie og skriv evt lidt til (kan limes på bagsiden af tasken)

Velkommen i 1. klasse

Mission: Matematikting (Øv jer i at tælle og tal fælles om hvordan man passer på konkreter/centicubes og husker at lægge dem på plads)

Mission: God ven (Tal sammen om hvordan man er en god ven og hvordan man er i fællesskabet i klassen. Lav derefter øvelserne, hvor eleverne selv skal vurdere, hvad der er rigtigt og forkert at gøre i hhv. venskabet og fællesskabet. Der er plads til at I sammen kan tilføre situationer, som kan klippes ud)

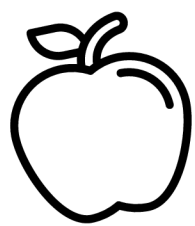

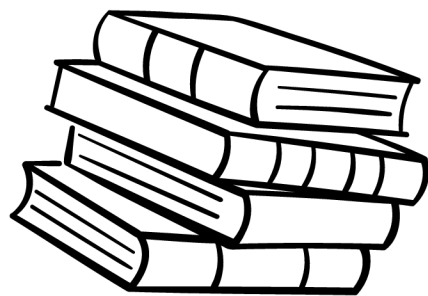

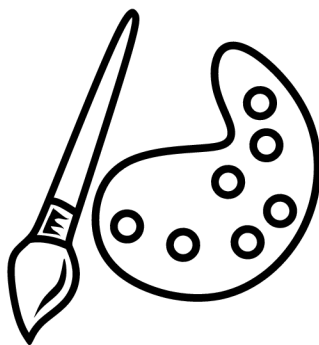

Mission: Bøger (Vis evt slide på tavlen og tal om hvordan man behandler både egne taskebøger og biblioteksbøger. Lav en læsesession, hvor eleverne kan øve sig i stille og roligt at hente en bog fra kasse/reolen og finder et egnet sted at læse OG til sidst sætter bogen på plads igen)

Til sidst skal I sammen lave og udlevere ekspert beviser til alle i klassen.

Vilkår for brug

Tak for dit download af materiale fra [Skolehjørnet.dk](https://www.skolehjørnet.dk).

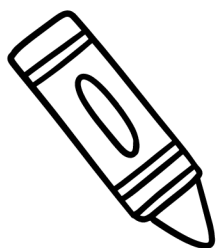

Kopiering af materialet må kun finde sted på institutioner/virksomheder, som har indgået aftale med Copydan Tekst & Node og kun inden for de rammer, der er nævnt i aftalen. Jeg bliver selvfølgelig ekstra glad, når du husker at indberette til [CopyDan](https://www.copydan.dk).

Ekspert bevis

Beviserne klippes ud , laves hul til snor. Lav en halskæde til eller med eleverne, så de kan få et fint bevis på at de nu er eksperter i 1. klasse og klar til at gå i gang med skoleåret.
