

Stafet - Positionssystemet

eller

Sandt eller falsk

Sådan arbejder man:

Her skal eleverne ud og løbe stafet. Del klassen i hold af 4-5 elever og kopier lige så mange løb, så de udenfor kan krydse af med **sandt** eller **falsk**, hver gang de løber ned og løser et regnestykke/et udsagn.

Husk at medbringe grønne og røde tuscher. Et sæt til hvert hold.

Vilkår for brug:

Tak for dit download af materiale fra [Skolehjørnet.dk](https://www.skolehjørnet.dk).

Kopiering af materialet må kun finde sted på institutioner/virksomheder, som har indgået aftale med Copydan Tekst & Node og kun inden for de rammer, der er nævnt i aftalen. Jeg bliver selvfølgelig ekstra glad, når du husker at indberette til [CopyDan](https://www.copydan.dk).
